Selects specific Parcel and delivers attributed data

### Zoom In

Allows user to zoom into a defined extent

### Zoom Out

Allows user to zoom put to a defined extent

### Pan

Pans in direction of user interaction

## Search Tools

- ☒ Search by Address
- ☐ Search by Parcel ID
- ☐ Search by Street
- ☐ Search by Account No.

**Search by Address** Allows user to search for property based on an address; enter house number and street name. Do not enter street suffix (ST, DR, etc). List of matches will be displayed. Please note that properties may have numerous addresses, this search function will find only the address that the property is assessed to in the Assessor's database.

**Search by Parcel ID** Allows user to search for property by parcel id code, which is combination of block and lot number. Block number is unique 4-digit number for each street from Assessor's Maps. Lot number is the address of the parcel. 375 Merrimack St (City Hall) has a Parcel ID of 4060-375.

**Search by Street** Allows user to search by street name, parcels on street will appear. Scroll to address and select.

**Search by Account Number** Allows user to search by account number if known.

## Search by Address Example

Please enter property address

House Number:

Street Name:

Note: Do not enter street suffix (ST, DR, etc).  
A list of matches will be displayed

[Search Menu](#)

Enter address number and street name desired  
Select "Find It"

| GIS ID                   | Owner          | Location         |
|--------------------------|----------------|------------------|
| <a href="#">4060-375</a> | CITY OF LOWELL | 375 MERRIMACK ST |

1 matching record.

Move cursor over GIS ID  
Cursor will change to select

Map view and related data will display.
